MARQUETTE, Mich., Jan. 21 .- As the eastbound passenger train on the Northwestern railroad neared Elwood, a station sixteen miles east of Watersmeet, at one o'clock Saturday afternoon, one of the trucks under the rear coach broke and threw the coach off the track. It ran about five car lengths, when it struck a stump and was smashed to pieces, killing or injuring all the occupants. The killed are: John A. McDonald, Lieutenant-Governor of Michigan; William Corcoran, of Escanaba; H. A. Tuttle, of Cleveland, O. The wounded are: Mrs. Percy Beasor,

of Ashland, Wis., spine injured, very bad; Mrs. McClure, of Watersmeet, wife of the train brakeman, badly cut and severe internal injury; Mrs. E. P. He remembered nothing more until he found himself twenty or thirty feet in the air. It seems that the car in turning over

struck a stump which penetrated it between the men who were playing cards. Mr. Tuttle, who was seated in the seat to the rear of the table, was instantly killed. Mr. McDonald was in the same seat and his arm was torn out at the shoulder and found at least forty feet from the body. The whole side of the car was torn out by a second stump and it seems miraculous that any escaped.
